2009 NF Steps Run/Walk

Dear Local Business Supporter,

As a business, we are aware that you receive many letters and requests for financial assistance. Why should you consider our organization as one of your choices? Since 2004, our goal has been to support as many individuals and families affected by Neurofibromatosis in California as possible. NFC provides family support and social events, supports research and organizes a conference for physicians and those affected by neurofibromatosis.

Most people have not heard of neurofibromatosis (NF), even though it is a condition that affects approximately 1 in 2,500 people. It is a genetic disorder of the nervous system that causes tumors to form on the nerves anywhere in the body at any time. NF can cause cancer, hearing loss, learning disabilities, epilepsy, bone deformities, vision impairment and chronic pain.

There is no cureYET! Your donation to our organization will make a difference for us!

You can be a part of making our goals a reality. Neurofibromatosis, Inc. California is hosting its 6th annual **NF Steps ~ Moving Forward with Hope** ~ 10k, 5k run/walk at Vacaville's Pena Adobe Park on June 5, 2010. In 2009, the event reached over 3000 people giving our corporate supporters a wonderful opportunity to get the word out about their products and services.

Please see the attached corporate sponsorship form. Any way that you are able to contribute will make a difference for us.

Don't toss this letter in the trash. Say yes to NF. Make a choice to be a part of helping us support those in need. We all work hard for what we have, and we are very grateful for any support you are able to provide. Remember, your contribution is tax deductible as allowed by the law. Tax ID# 68-0582616. Thank you for your generosity and support.

Very truly yours,

NF Steps 2010 Walk Committee Member
